# Ride Out to the Bike Shed

Sunday 28th May, 2017

Chris Bond will be leading a ride out to Bike Shed 2017 on the 28th May, leaving Peartree Services at 8.30am for breakfast at the Ace Cafe before leaving for the short journey to Tobacco Docks

## This is what's it all about:

'Bike Shed's infamous independent motorcycle Show returns to London's Tobacco Dock for it's regular annual May slot, with our 8th Show - bigger and better than ever.

Expect a long weekend of unique and unseen custom motorcycles and new-wave cafe racers from the manufacturers, the big brands, the independents and best of the shed builders, plus high quality art, photography, film, live music, tattoos, barbershops, cigars,

barista coffee, multiple bars, street food, picnic areas, gear & apparel, merchandise, lounges, picnic areas, secure on-site motorcycle parking and the friendliest staff and hosts possible.

Every exhibitor is carefully curated to create a collaborative event driven by real riders for everyone to enjoy - on two wheels, or not.

This year's show will have more bikes and brands, but also there'll be even more entertainment and hospitality than last year's event.
