

BMW Club Oxford Section visit to

Bloodhound Project (Pre Booking Required)

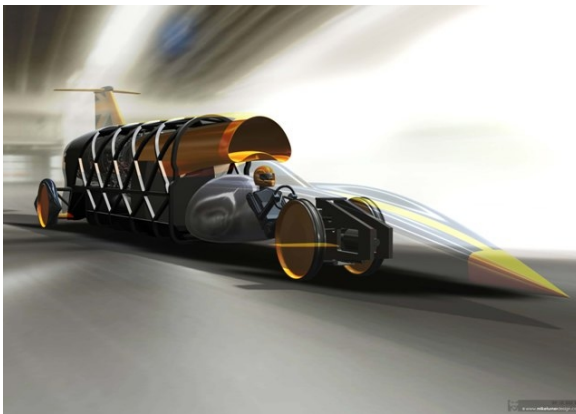

Ride Out to the 1,000 mph Bloodhound Project

Saturday 6th May, 2017

Southern section has invited the Oxford section to join them at the Bloodhound event on Saturday 6th May 2017 10.30am in Bristol:-

We have got a firm date for a visit to the Bloodhound Technical Centre, Avonmouth, Bristol. We are booked in for 10.30 a.m. on Saturday, 6th May. The total cost of the visit is £500 for up to 50 participants, so the cost per person will obviously depend on how many people attend.

We anticipate that this would be a very popular event, so let me know as soon as possible if you would like a place (website www.bloodhoundssc.com/news/group-visit-bloodhound-technical-centre).

This is what's it all about:

Enjoy a guided tour of the workshop and full briefing on the Bloodhound project for groups of up to 50 people, children are welcome.

For a donation of £500, the group will receive: a tailored presentation in the Bloodhound boardroom and a workshop tour to see the build of the worlds first 1,000 mph to see how it is progressing.

There will be ample time for questions and photographs.

Visitors may also get the chance to test their skills in the Bloodhound driving experience and purchase merchandice during the event

...Save the date."

Reserving a place

Spaces are limited, so if you would like to know more, and to reserve a place, **please contact Dave Tomlinson at dave.tomlinson@bmwoxford.com** as soon as possible, places will be allocated on a **first-come, first-served basis**.
