

# BMW Club Oxford Section GS Day

## Meeting Points Saturday April 27th

- (1) Ace Cafe 08:00-10:30
- (2) The Waterfront Cafe, Benson 12:00- 13:30
- (3) Bahnstormer Maidenhead 14:00-17:00

The BMW Club GS Day ride out and event at Bahnstormer Motorrad Maidenhead is designed to have something for everyone in the best traditions of the GS!

The day will start early at the first meeting point, The Ace Cafe (North Circular Rd, London NW10 7UD).

We aim to meet at about 08:00 for breakfast. Nigel Richardson will be leaving the Ace Cafe at 09:00 on the Globbusters Silk Road & Tibet Tour: London to Beijing ([www.globbusters.com](http://www.globbusters.com)) - we will be seeing Nigel off with best wishes for the trip!

John Ottaway will lead a ride out leaving the Ace Cafe at 10:30, following a scenic route back towards Oxford. We arrive for lunch at 12:00 at the Waterfront Cafe (Oxford road, Benson, Wallingford, OX10 6SJ). This is the second meeting point.

We plan to leave the Waterfront Cafe at about 13:30 for the final part of the ride out to Bahnstormer Maidenhead (71-73 Furze Platt Road, Maidenhead, Berkshire SL6 7NG) for the GS day event. We should arrive at Bahnstormer about 14:30. This is the third meeting point.

Bahnstormer are kindly hosting the GS day and will provide afternoon refreshments for club members. The new R1200GS is available for test rides on a first come first served basis. So remember

to bring both parts of your driving license for a test.

Bahnstormer will be offering a **20% on the day discount on parts and accessories to BMW Club Members**. The items must be in stock for purchase and the discount will not

be offered on existing discounted items, although Bahnstormer might tweak these for the day! Paul Davies, the director at Bahnstormer Maidenhead, has agreed to judge a competition for the 'sparkliest GS' with some small prizes (John and I may have to stop for some last minute fettling en-route!)

At 17:00 we will have a talk by Dr Pat Garrod on his 100,000 mile trip around the world with Dr Vanessa Lewis on their R100GS - 'the Bear'. Pat and Vanessa are both practicing GPs. Pat will be able to sign copies of his book 'BEARBACK, The World Overland' available at discount on the day (cash or cheque only!)-see <http://www.theworldoverland.com>.

We very much look forward to seeing all BMW club members for all or part of the day. A good turn out of GSs would be nice for the competition but everyone is very welcome (even in a car!).

Remember next year we have the new RT coming so perhaps we will have an RT day in future!

**The Day will finish at 18:00**

**PS The weather forecast for April 27th is currently 5 hours of sunshine and 14C!**
