

BMW Club Oxford Section  
**Skittles Challenge 2018**

Western Section v Oxford.

The Old Royal Ship, Luckington, Wiltshire, SN14 6PA.

Dear Members,

The Oxford Section is planning to once again dominate the friendly skittles challenge against the Western Section at the Old Royal Ship skittles alley that we enjoyed last year starting at 12.30.

With the fun of the (gentle) competition, Skittles is also a sport built on friendship and camaraderie, however our secret scorer will be in charge of the score sheet!

## Food?

The event will have the normal sandwiches, sausage & Chips as well as the al la carte menu available, however the Old Royal Ship would like names and numbers in advance.

Skittles is a relatively safe sport – bumps and bruises are usually the worst injury and even these are rare due to the low speeds. The Editor of Performance Bikes called it “the most insane, non-lethal sport” – what more could you want?

## Names Please.....

So no pressure but – you've seen the skittle videos on YouTube and you want to know how to do it...The answer, of course, is endless practice.....

So let me: [dave.tomlinson@bmwoxford.com](mailto:dave.tomlinson@bmwoxford.com) have your names and Geoff Clough will happily part you from your money on the day for the food.... Look forward to seeing you there!
