MAY WEEKEND HOTEL BREAK TO CENTRAL AND WEST WALES

1st to 3rd MAY 2020

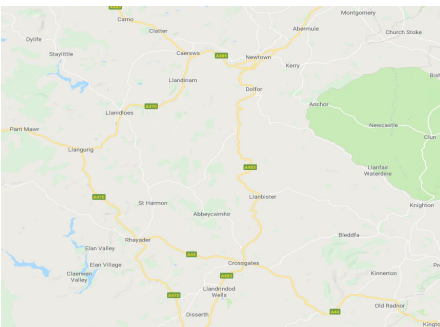

Ah Wales, a country of mythical dragons and wonderful roads for bikers! This weekend break will include a tour of some of the best biking roads in central and west Wales. The tour will be based in Ludlow, where we will stay at our hotel for two nights.

Our hotel is the lovely Cliffe at Dinham, close to the centre of Ludlow. This proved to be very popular during our stay in May 2019. They have a number of very nice double/twin and single rooms and I have agreed a special rate for two nights including breakfast and three course supper (see below for rates). I need to know very soon the level of interest and a 25% deposit will be required. If we get full up there are a number of alternative hotels in and around Ludlow.

Hotel rooms : Doubles/twins range from £320 to £410 for two nights, standard singles from £230 to £290 for two nights. This includes a three course dinner on both nights, breakfast on both mornings and VAT.

Early on Saturday 2nd May we will head off towards Newtown and ride the wonderful road down to Crossgates, to have a short break at the Cafe Express. From there we will head to Rhayader and make our way around to the Elan Valley where there are some great roads and a fascinating visitor centre with a decent restaurant and lots of information about the dams and reservoirs in the valley. Once back in Ludlow, the tour will have been about 150 miles.

After breakfast on Sunday, there will be an optional visit to Hampton Court Castle, which is south of Ludlow and in the general direction for heading back to Berks, Bucks and Oxon. It has stunning gardens, a maze and a good orangery where fine food is available reasonably priced.
